

The Employer-Based Safety Net is Outdated

New Deal Economy

long-term employment • employer-based safety net

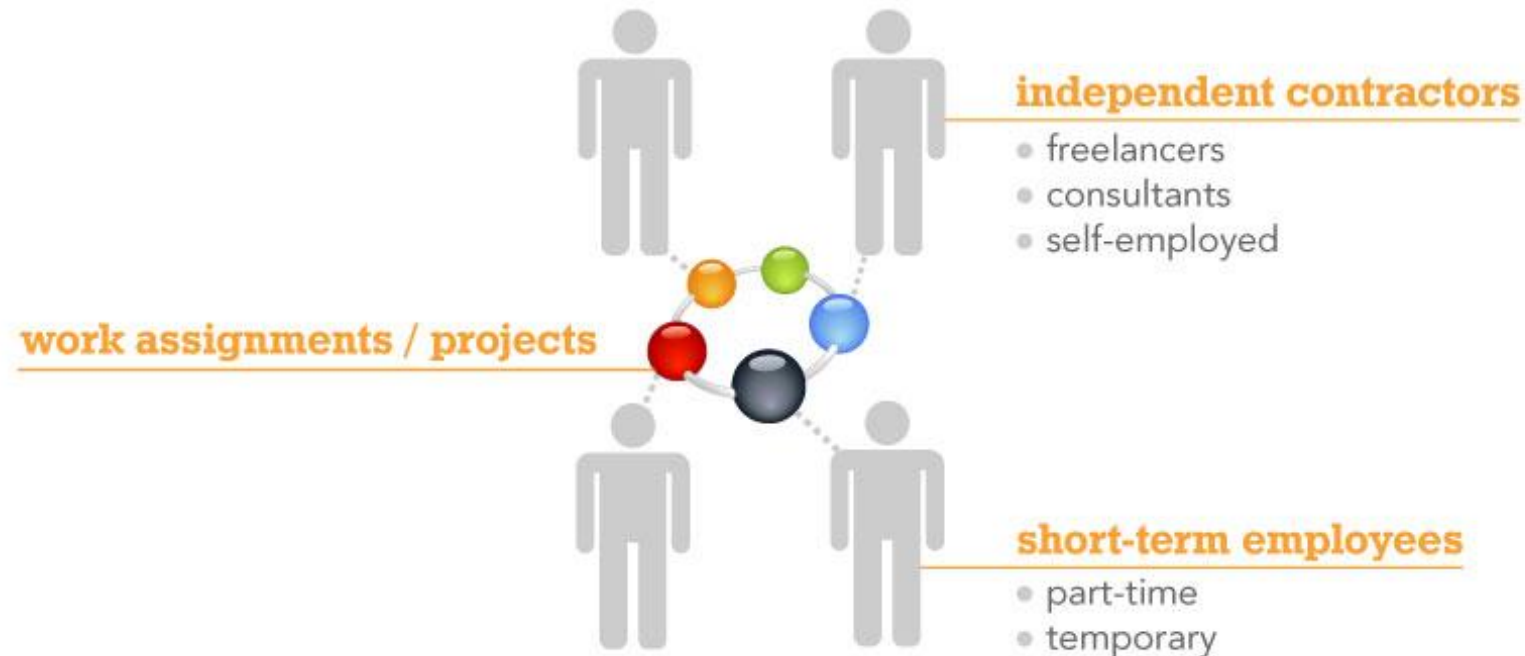

Employer-based Safety Net includes:

- Health insurance
- Pension
- Training
- Right to unionize
- Career ladder
- Unemployment insurance
- Workplace protection laws

New Economy

short-term employment • flexible workforce • outdated safety net

Freelancers Union is Updating the Safety Net for the New Workforce

Freelancers Need A Portable, Mobile, Membership Structure

Independent Workers Need a Flexible Safety Net to Access:

- Health Insurance
- Retirement Accounts
- Unemployment insurance
- Workplace Protections

Group power in the market keeps benefits' costs low
