*TODAY'S EXPERTISE FOR TOMORROW'S SOLUTIONS*

# *Leading for Outcomes*

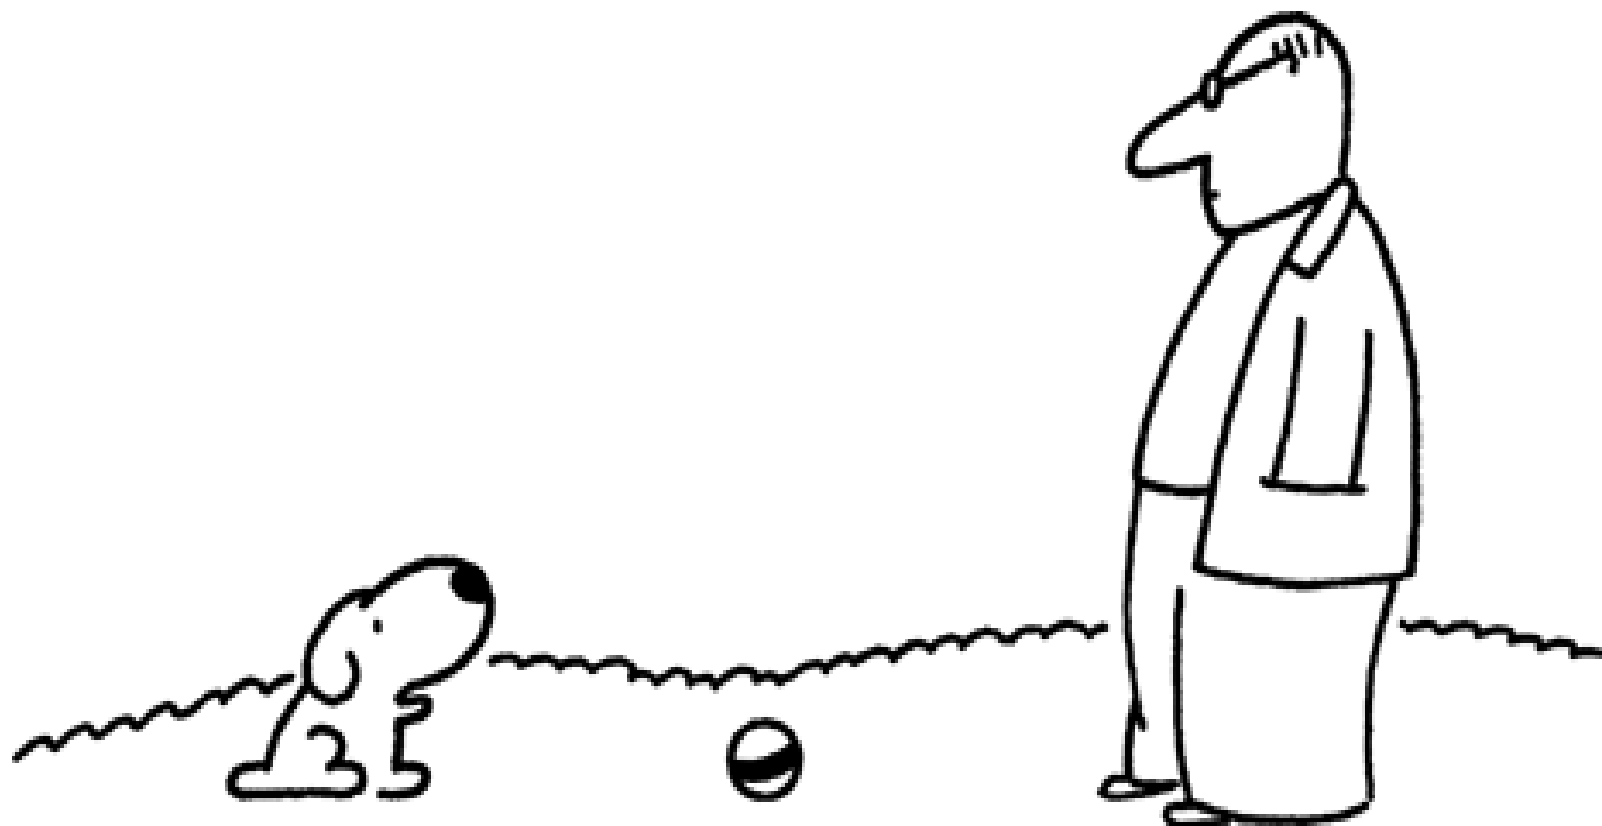

Identify the barriers/myths we've created that are within our control to fix, but often permeate our organizational culture and prevent us from moving forward

# *Leading for Outcomes*

Promote shared governance of the human service “ecosystem” and engage non-traditional partners in the circle

# *Leading for Outcomes*

Participate in the shaping of national policy with a focus on integrated, efficient, and sustainable solutions

C. Barzotti

*"It's not going to throw itself."*
